

We will help you buy patches or Chantix!

The Putnam County Partners in Prevention is proud to announce their 2011-2012 Tobacco Cessation Program.

If you are ready to quit smoking or chewing, please call us!

For a limited time, the Putnam County Partners in Prevention will assist in the purchase of nicotine patches, Chantix, or Zyban. (with valid prescription from doctor).

This is a limited time offer and will expire when funds have been depleted, so this offer may be open a few days or a few weeks.

Take advantage of this great opportunity!
